

Make a cross necklace

To remind us of how Jesus died on the cross for us, but then came back to life and later met up with his friends on the road to Emmaus

You will need:-

A length of string, wool or even a long shoelace would do

5 largish, coloured beads, square shape if possible

To make

Cut a piece of string or wool that will fit over your head plus a bit extra

1. Thread on one bead to the middle point of the string
2. Push the 2 end threads through the next bead
3. Now separate the threads and thread one bead on each side
4. Put the 2 threads together again and push through the last bead
5. You could tie a knot at the top of the cross to keep your beads in place
6. Tie the ends of the threads together to make your necklace
7. Put you necklace over your head and show it to everyone!
